II.

Main objectives of Local Partnership for Employment of Koprivnica Križevci County

Local Partnership for Employment of Koprivnica Križevci County is an authority with the main objective of creating human resources development strategy at county level which is compatible with County Development Strategy.

Local Partnership for Employment ensures the participation of all stakeholders in the process of planning and implementation of human resources development strategy. It will contribute in the field of creation, development, programming and monitoring of the documents arising from the human resources development strategy, county programmes and projects. Local Partnership for Employment will empower capacities for programming and implementation within the human resources development strategy.

III.

Obligations of the members of Local Partnership for Employment

By signing the Partnership Agreement, all members of Local Partnership for Employment are obligated to actively participate in the following activities:

- development of Human resources development strategy for Koprivnica Križevci County in cooperation with competent bodies participating in the development of County development Strategy, Croatian Employment Service, Regional office Križevci and other stakeholders
- Development of Action plan, illustration of the process of implementation of Human resources development strategy in accordance with possible funding resources,
- Thematic working groups, established by the Local Partnership for Employment,
- Development of projects, consortiums and encouragement of submission of projects proposals under the calls for proposals, as well as using other EU programs, national programs and community programs.

IV.

Final Provisions

Members of the Local Partnership for Employment sign the Partnership Agreement for an indefinite period.

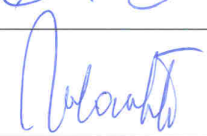

Any member can cancel their membership in the Local Partnership for Employment at any time in writing.

By signing the Partnership Agreement, the members of the Local Partnership for Employment attest their agreement with the provisions of the aforementioned Partnership agreement.

In Koprivnica, on the 10th of December 2010
